

NextGen Leaders

Next Generation Nonprofit Leaders Program

NextGen is a competitive scholarship program which awards \$4,500 scholarships to American Humanics students as they conduct internships with nonprofit organizations. Since 2007, AH has awarded more than \$2.6 million to 585 AH students who qualified as NextGen Leaders. Through 2012, American Humanics plans to award a total of \$4.5 million to 1,000 NextGen Leaders.

The NextGen Program is partially underwritten by a generous grant from The W.K. Kellogg Foundation.
